

SAFRAN DELEGATES VISIT JAIN UNIVERSITY

SAFRAN delegates visited IIAEM, Jain University on 30 April 2013. A meeting was held to identify opportunities for Research and Training of graduate engineers of SAFRAN as well as recruitment and training of IIAEM and SET graduates.

SAFRAN team consisted of Mr. Jean Paseal Gandy, Dy. Director, Safran Corporate University, Mr. Alain Coutrot, Dy. Director, Research & Technology, Ms. Prachi Ashish, Technical Manager, Dr. Prajwal Sabris, Technical Lead and Mr. Veerabhadra Rao, Manager – Human Resources.

Jain University was represented by Dr. N G R Iyengar, Director, IIAEM, faculty members of IIAEM and Prof. T S Sridhar, CEO, SET and Head of Departments of SET.

Dr. N G R Iyengar welcomed the delegates on behalf of Jain University. In his speech, he made it clear that Jain University is ready to cooperate in areas of mutual interest. Then, a short presentation was made by the IIAEM team on the regular programmes, M.S. programme and the short courses for working professionals offered at IIAEM.

Later, a presentation was made by SET team which included the areas which they are competent to offer training programme.

From the SAFRAN team, Mr. Alain Coutrot made the presentation on S&T activities.
